Asian & US Midcap Dealmakers: Opportunities For Market Access, Technology And Productivity'

The 3rd annual **Asian Private Equity and Venture Forum - Chicago** addresses the difficulties faced by US midcap corporations in engaging effectively with Asia - particularly China and India, raises the veil on opportunities across the continent, and highlights some of the ways that US companies, helped by their PE investors, are engaging with Asia. The event will also discuss Asian interest in US companies, including in the venture sector.

Members of ACG are eligible for a 20% discount off the standard registration fee.
