End Date: November 6, 2008
City: Chicago
Description: **This event is now sold out - for additional information contact Tom Ancona at 773-834-1296.**

Alternative Energy Venture Forum

The Midwest Alternative Energy Venture Forum is the premier conference for researchers, entrepreneurs, venture capitalists, and others interested in innovation and growth within the renewable energy sector in the Midwest. The forum allows these researchers and entrepreneurs to share what is new and exciting in this rapidly growing field while connecting them with the venture capitalists that will take these ideas and companies to the next level.

Date: November 6, 2008
Place: Gleacher Center University of Chicago
Time: 8:00 am – 6:00 pm

**Join us for Chicago's Premier Cleantech Event!
